

Come Along and Join in "Showtime in the Suburbs"

It's extremely popular with locals and it's back - bigger, brighter and better than ever!

The Camp Hill Carina Welfare Association's Annual Crackerjack Carnival, very appropriately billed as "Showtime in the Suburbs", will be held this year from Friday 4 June until Sunday 6 June.

The Crackerjack "Denim and Lace" Ball will held under the big tent on Thursday 3 June.

Association CEO Steve Heald said the family-oriented carnival is staged as a major fundraiser for the 18 clubs and associations that provide facilities for youth development operating from the Clem Jones Centre.

"Activities at the carnival, at the Corner Creek and Stanley Roads Carina, will include the fun side show alley, various stalls, arts and crafts exhibits, as well several displays and demonstrations, lots of different types of food, and, of course the well-patronized Crackerjack XXXX Bar," Steve said.

"A large fireworks display at 9.15 pm provides a feature attraction on Friday and Saturday evenings."

Steve said with a very low admission price could lay claim to being one of the largest major events at the cheapest prices in town.

"The entertainment program this year promises to be fantastic. We have a committee that has been working very hard to make sure it has something for everyone to enjoy."

Steve said the Crackerjack Carnival is truly a wonderful community event now in its 36 year and supported by about 30,000 patrons.
